*RW Bro Terry Sheern,  
Provincial Grand Master for Essex.*

*Dear Right Worshipful Brother Terry,*

*As you well know, tomorrow would have been your Annual meeting at Felsted and I would have had the honour to be with you and your brethren at what I know, would have been a most enjoyable day.*

*Alas, we are all in lockdown which prevents us gathering together at this time.*

*I wanted to let you know that I am thinking of you all and hope that when we resume our activities, another date can be confirmed and I will be able to join you then.*

*Would you please pass on my congratulations to those brethren who would have received Appointments and Promotions at the meeting.*

*Please keep safe and well so that we may all be together once again in the not too distant future once this dreadful virus is under control.*

*With my very best wishes to you, your Brethren, their families and loved ones.*

*Yours sincerely and fraternally,*

***Steve Davison***

*Assistant Grand Master*
