Provincial Grand Lodge of Mark Master Masons of Essex

Dear Terry

My Provincial Office has forwarded to me your letter of 20th April which enclosed a magnificent further donation of £9000 to our Craft 2022 Festival. Can I, on behalf of the Craft, thank you and the Installed Mark Masters Lodge No 1044 for your very kind generosity, which is much appreciated, particularly during the current somewhat leaner charitable environment. I shall, of course, mention this further supporting donation as soon as we are able to meet again.

May I also thank you most sincerely for the Meals which the Essex Mark Province has organised (to my knowledge at three Masonic Centres) and delivered which is a very worthwhile and distinctive gesture. It further exemplifies the close collaborative and harmonious working between our two organisations.

With my very best regards
Yours sincerely and fraternally

Rodney L Bass OBE
Provincial Grand Master for Essex
